# IMAGINE

**She** is 12 years old. **She** is experiencing sexual abuse at her home. **She** has to leave because it isn't safe. **She** runs to the streets and within 24 hours she is picked up by a trafficker. **She** is coerced into thinking it will be safe, when in fact this is the most dangerous and traumatic time of **her life**. **She** is now trapped and forced to commit horrific acts. Luckily **she** is rescued by law enforcement but there is nowhere suitable for her to go... **UNTIL NOW**.
